

CENTRAL HARRIS COUNTY REGIONAL WATER AUTHORITY**NOTICE OF PUBLIC MEETING**

Notice is hereby given to all interested members of the public that the Board of Directors of the above captioned Authority will hold a public meeting at the offices of **IDS Engineering Group, Inc., 13430 Northwest Freeway, Suite 700, Houston, Texas 77040**, said address being a meeting place of the Authority.

The meeting will be held on Wednesday, June 1, 2022, at 6:00 P.M.

The Board shall consider and discuss the following matters and take any action appropriate with respect to such matters:

1. Comments from the Public;
2. Review and approval of the minutes of the Board of Directors meeting held May 4, 2022;
3. Acceptance of Qualification Statements, Bonds, Oaths of Office, Affidavits of Current Director and Elections Not to Disclose Certain Information for Elected/Appointed Directors Cox, Gower and Meek;
4. Election of officers of Board of Directors;
5. Approval of District (Authority) Registration Form relative to election of Directors;
6. Bookkeeper's Report, including authorizing the payment of invoices presented; consider status of collection of surface water charges, pumpage fees and importation fees, and investment of Authority funds;
7. Approval of Unclaimed Property Report as of March 1, 2022, and authorize Bookkeeper to file Report with State Comptroller prior to July 1, 2022;
8. Status of filing of Annual Continuing Disclosure Report due June 30, 2022;
9. Financial Advisor's Report, including discussion regarding various financial matters, including:
 - A. Status of communications with the City of Houston ("COH") regarding the COH's FY 2019, 2020 and 2021 True Up Reports related to the Authority's share of Operations and Maintenance Costs of the COH's Northeast Water Purification Plant ("NEWPP");
10. Engineer's Report, including:
 - A. Report on general engineering matters related to Phase 2 planning activities, including status of preliminary engineering and surveying, topographical survey, and environmental studies required in connection

with the design of 2025 Internal Distribution System; status of metes and bounds descriptions for easements required in connection with the 2025 Internal Distribution System lines, and status of communications with various federal, state and local agencies regarding review of plans and environmental studies related to same;

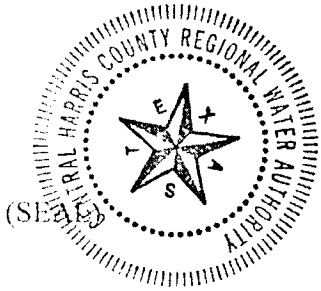

- B. Authorizing the design and/or advertisement for bids for the construction of Authority facilities;
- C. Authorizing the award of construction contracts for construction of Authority facilities, authorizing acceptance of TEC Form 1295, and approval of any related storm water documents;
- D. Status of construction contracts, including the approval of any pay estimates and change orders;
- E. Report on status of acquisition and acceptance of site and/or easement conveyances required for Authority facilities, including discussions with CenterPoint Energy Houston Electric, LLC regarding easement required in connection with Authority take point off of the North Harris County Regional Water Authority's ("NHCRWA") proposed 84-inch transmission line; review updated estimate of costs related to acquisition of easements and other property interests required in connection with 2025 Internal Distribution System and funds available for use by the Authority in connection therewith;
- F. Report on matters related to the Harris-Galveston Subsidence District ("HGSD"), including: (i) Aggregate Water Well Permit ("Permit") for the period June 1, 2021 through May 31, 2022; (ii) new Permit for the period June 1, 2022 through May 31, 2023; and (iii) implementation of Amended Groundwater Reduction Plan;
- G. Report on status of communications with the COH regarding various water supply issues, including: (i) Luce Bayou Interbasin Transfer Project; (ii) NEWPP Expansion Project; (iii) Northeast Transmission Line ("NETL") – Phase I; and (iv) operational issues concerning the NEWPP;
- H. Second Supplement to Water Supply Contract between the Authority and the COH in connection with the NEWPP Expansion Project; and
- I. Third and Fourth Supplements to Water Supply Contract between the Authority and the COH regarding the design and construction of the NETL, Phase I, and the Authority's pro-rata share of the estimated costs of said projects;

11. Operator's Report, including:

- A. Authorizing any necessary repair and maintenance items;
- B. Discussion regarding general operations and maintenance issues and procedures and communications with Member Districts regarding same;
- C. Report on status of communications with COH regarding meter and billing issues and resolution of said matters; and
- D. Status of implementation of a remote meter reading and monitoring system for the Authority's surface water meters and Member Districts' water well meters; authorize any action necessary in connection therewith;

12. Review and approval of 2021 Consumer Confidence Report and authorize distribution to Member Districts;
13. Approval and execution of (i) Services Agreement between the Authority and Accurate Utility Supply, LLC for installation of Automated Meter Reading technology within the Authority, and (ii) Beacon AMA Managed Solution Master Agreement between the Authority and Badger Meter, Inc. relative to the implementation of a remote meter reading and monitoring system for the Authority; status of communications with Member Districts regarding Right-of-Entry Agreements related to Automated Meter Reading program;
14. Discussion regarding possible Emergency Water Supply Agreement between the Authority and Harris County Municipal Utility District No. 200 ("No. 200") in connection with the Authority's purchase of ground water from No. 200 in the event of loss of surface water, and proposed amendment of the Authority's Rate Order in connection therewith; authorize any action necessary in connection therewith;
15. Discussion regarding request of Harris County Municipal Utility District No. 304 ("No. 304") for reimbursement of costs and payment of related expenses in connection with No. 304's prior conversion to surface water; authorize any action necessary in connection therewith;
16. Government Affairs Update; authorize any action necessary in connection therewith;
17. Request from Records Management Officer to destroy notes of Board of Directors meetings held from February 3, 2021, to March 2, 2022;
18. Status of acquisition of easements and other property interests in connection with the Authority's 2025 Internal Distribution System; authorize any actions necessary and appropriate in connection therewith;
19. Attorney's Report, including:
- A. Report on general legal and administrative matters;
 - B. Report on communications with the COH, NHCRWA and HGSD regarding the Authority and its Groundwater Reduction Plan;
 - C. Report on status of communications with the COH and other Regional Water Authorities concerning various surface water supply issues, including the Authority's participation as Amicus Party in Hidalgo County Water Improvement District No. 3 v. Hidalgo County Water Irrigation District No. 1, currently pending in the Texas Supreme Court; and
 - D. Report on status of communications with Member Districts and constituents, including discussion regarding location of monthly Board meetings; authorize any action necessary in connection therewith, including adoption of Order Establishing Meeting Place Inside the Authority;

20. Discussion regarding status of Authority website and other Authority communications; authorize any action necessary in connection therewith;
21. Closed Session pursuant to Texas Government Code, Section 551.071 (consultation with attorney regarding pending or contemplated litigation or matters protected by attorney-client privilege) and/or Section 551.072 (deliberation regarding acquisition of interests in real property);
22. Reconvene in Open Session and authorize any action necessary as a result of discussions held in Closed Session; and
23. Matters for possible placement on future agendas.
