### **The Harris County Clerk's Office and The City of Tomball Host First Ever Swift Sweetheart Weddings on Valentine's Day**

**(Houston, TX)** – Dozens of couples are tying the knot this Valentine's Day at the historic Tomball Museum Center thanks to a partnership between the Harris County Clerk's Office (HCCO) and The City of Tomball. On Friday, February 14, HCCO will be in Tomball for the first time to issue marriage licenses during the Swift Sweetheart Weddings event.

"We look forward to helping couples create long-lasting memories at one of Tomball's most charming and historic venues," **said Harris County Clerk Teneshia Hudspeth**. "This partnership offers Harris County residents a unique and unforgettable way to celebrate their love with a Valentine's Day wedding."

The sold out Swift Sweetheart Weddings event allows couples to go from "just engaged" to "just married" in a single day by providing convenient services, the venue, and a judge who will waive the 72-hour waiting period.

"Tomball is proud to provide a picture-perfect setting for couples to celebrate their special day," **said City of Tomball Mayor Lori Klein Quinn**. "We hope to make this Valentine's Day extra memorable by offering this unique experience at an affordable cost."

Sweethearts will exchange vows at the Tomball Museum Center's 120-year-old historic Chapel, on the charming porch of the Griffin House, or under the picturesque Gazebo. The City of Tomball and local vendors will be making this occasion extra special.
